Introduction

Symbiosis Law School, Pune, in collaboration with Taivas Education, presents the Pune Debate and Public Speaking Bootcamp, an intensive two-day, twelve-hour programme held offline at Symbiosis Law School, Pune (Viman Nagar Campus), 14–15 November 2026.

Open to novices and advanced debaters alike, the bootcamp offers expert-led training in speech delivery, argumentation and structured expression, built around a curriculum that gives every student a genuine speaking opportunity, not just the strongest few.

Founded by Tatsam Lamba, Taivas has trained **10,000+** students across **50+** partner schools nationwide, with alumni breaking at Stanford, winning at Harvard and competing at Oxford World Schools. This is a rare chance to train directly under experienced coaches and university-level debaters, with real national and

international circuit experience brought straight into the classroom.

Two tracks, one goal. Grades 5 to 8 build the foundations: voice, structure, argument and the courage to hold a room. Grades 9 to 12 go deep into competitive formats: case construction, rebuttal mastery and high-stakes delivery.

This time, the difference is where it happens. Training on the Symbiosis Law School, Pune campus gives students a taste of a premier campus at a formative age: a credential grounded in a national training pedigree and held on a respected university campus.

Two days on one of India's most prestigious campuses. A lifetime of speaking skills.

06

Why This Bootcamp Matters

Two tracks. Two very different kinds of value.

For Juniors

GRADES 5 TO 8

- 1 Professional-grade debate training that is rarely available to students at this age
- 2 Confidence and communication skills that carry into everyday school life
- 3 A first taste of competitive debating, ahead of the high school circuit
- 4 A foundation for future MUN, debate and leadership opportunities

Where a young voice first learns it can hold a room.

For Seniors

GRADES 9 TO 12

- 1 A Taivas certificate for every participant, plus a Letter of Recommendation for the batch's top speaker, a genuine addition to any college application
- 2 Two days immersed in campus life at one of India's best-known law schools
- 3 Career-relevant skills like public speaking, persuasion and critical thinking, valued well beyond school

A campus visit that doubles as a college-application edge.

07

Inside our *classrooms*

01 Expert Coaches

Sessions led by accomplished debate coaches with real national and international circuit experience.

02 Small Batches by Grade

Grouped by same or adjacent grade, for maximum speaking time and a comfortable peer group.

03 Structured Curriculum

A seven-part progression across two days, from fundamentals to competitive rounds.

04 Every Student on Stage

A dedicated solo speech slot for every participant, not just the top performers.

05 Activity-Driven Learning

Drills, debate games and mock rounds. No long lectures.

06 Real-Time Feedback

Continuous, evaluative verbal feedback from trainers throughout every session.

Perks *and* Awards
